

# LA GAZZETTA DEI RANSOM

ASSISTING THE ITALIAN CHURCH IN MAKING DISCIPLES OF JESUS CHRIST

Since we made the transition to full-time deputation in February 2008, we have seen the Lord move in exciting ways! Not only has He brought in support at unexpected times and from unexpected sources, He has also very graciously used our experiences on the "deputation trail" to continually prepare us for full-time ministry in Italy. Currently more than 70% of our needed support has been spoken for, and 30% of that amount was committed during the last six months! It is our prayer that over the next six months the remaining 30% will be committed. We recognize God's hand in this whole venture, and we are praying, hoping, and working towards the goal of moving back to Italy early in 2010.

In anticipation of the Lord's provision, we have begun preparing for our transition. Along with a full traveling schedule, we will also be getting ready to move, attending BMM's "Launch

Seminar" (in September), and working on the visa to move our family to Italy.

We are asking you to join us in this chapter of our faith venture. Please pray with us! You'll find some specific prayer requests at the top of the column on the right.

At the bottom of the page you will see some other ways you can be a help to us at this crucial time.

If you have any questions, please don't hesitate to ask. Thank you for standing with us now!
